AGEM's Bylaws dictate which membership level your company may qualify for, starting with an Associate Membership level (\$1,000 per year) of "non-voting ... vendors, suppliers, independent laboratories, publishers and other companies" that work with Voting Members. Gold, Silver and Bronze Voting Members are "companies that hold or have an application pending for a manufacturer or distributor license in a regulated jurisdiction in North America (or outside North America with the approval of the Board of Directors) and whose principal business is manufacturing or distributing gaming devices, gaming systems, or gaming equipment." Annual Voting Membership dues are based on a company's gross annual revenue: Gold (\$10,000 per year for \$150 million or more in annual revenue); Silver (\$5,000 for \$50-149,999 million in annual revenue) and Bronze (\$2,500 for less than \$50 million in annual revenue).

Pursuant to I.R.C. paragraph 6033 (e) (1) (A), (ii), the Association of Gaming Equipment Manufacturers (AGEM) estimates, and hereby gives notice, that 45 percent of your dues, payable for the association's fiscal year running from April 1, 2008 – March 31, 2009, is allocable to lobbying expenditures of the association, and hence is non-deductible for federal income tax purposes by reason of I.R.C. paragraph 162 (e) (3).

Contributions or gifts to AGEM are not tax deductible as charitable contributions. However, they may be tax deductible as ordinary and necessary business expenses.
